From Ceremony to Celebration!

Thank you for expressing interest in hosting your special day with us. We offer over 25 years specializing in private weddings on the water. Our vessels, staff, and services provide everything that is required to ensure a memorable, fun, and safe reception on the water.!

We take the stress out of the planning process and keep all the steps simple. It all starts with your vision and budget. Whether you are planning a casual summer reception or a formal evening dinner we have the perfect vessel, catering, and crew ready to exceed your expectations.

We feature a fleet of five vessels each with unique amenities and features. For wedding receptions we recommend our two Boston Harbor vessels, the Lexington and Valiant featured below. The rental cost or charter fee of the vessel is based on time. For most wedding charters we recommend 4 hours of cruise time. The charter fee includes the captain, crew, fuel, dockage, tables, chairs, linen, and bar setup. (See vessels and rates below.) If you are interested in one of our smaller riverboats please ask our sales managers for more information.

Once the vessel is confirmed, we assist to plan your menu and entertainment details. Catering can be as simple or as elaborate as you would like. It's important to keep your budget in mind as there is a wide variety of options. You may choose to custom design your menu with your sales manager or for convenience and savings select one of our "featured wedding options". Please see our "Suggested Menus Brochure" for further information. We look forward to helping you plan your special event!
