Rehearsal Dinner Information and Services

Thank you for your interest in hosting your rehearsal dinner onboard one of our vessels. We offer over 25 years specializing in private events on the water. Our vessels, staff, and services provide everything that is required to ensure a memorable, fun, and safe reception on the water.

We take the stress out of the planning process and keep all the steps simple. It all starts with your vision and budget. Whether you are planning a casual summer reception or a formal evening dinner we have the perfect vessel, catering, and crew ready to exceed your expectations.

We feature a fleet of five vessels, each with unique amenities and features. For rehearsal dinners we recommend our luxury yacht Valiant, side-wheel paddle boat Lexington in Boston Harbor or our two riverboats departing from Cambridge. All four of these vessels are featured below. The rental cost of the vessel is based on time. For most rehearsal dinner charters we recommend 3 hours of cruise time. The charter fee includes the captain, crew, fuel, dockage, tables, chairs, linen, and bar setup. (See vessels and rates below.)

Once the vessel is confirmed, we assist to plan your menu and entertainment details. Catering can be as simple or as elaborate as you would like. It's important to keep your budget in mind as there is a wide variety of options. You may choose to custom design your menu with your sales manager or for convenience and savings select one of our standard menus on our website at <http://charlesriverboat.com/events/menus/>. We look forward to having you onboard for this very special event!
