# SAYING I DO

Thank you for expressing interest in hosting your special day with us. The Charles Riverboat Company offers over 30 years specializing in private weddings on the water. Our vessels, staff, and services provide everything that is required to ensure a memorable, fun, and safe reception!

We take the stress out of the planning process and keep all the steps simple. It all starts with your vision and budget. Whether you are planning a casual summer reception or a formal ceremony with dinner to follow, we have the perfect vessel, catering, and crew ready to exceed your expectations.

We offer a fleet of five vessels each with unique amenities and features. For wedding ceremony and receptions, we recommend our two Boston Harbor vessels, the Lexington and Valiant featured below. For weddings, we require a 4-hour boat rental minimum with food and beverage service done at a per person rate. The charter fee includes the captain, crew, fuel, dockage, tables, chairs, linen, and floral centerpieces. If you are interested in one of our smaller riverboats, please inquire with our sales managers for more information.

We look forward to helping you plan your special event out on the water!
